His formative years were spent in Marietta, as well as Midlothian, Texas, and Oklahoma City, Oklahoma. David joined the US Army a week after his 18th birthday, and served in occupied Japan in 1946 and 1947. “ So sorry to hear of the loss of this wonderful professor who inspired me to be a History major. I took every single undergraduate course he taught between 1989 and 1993, and thoroughly enjoyed each one!

Dr. Conrad, thank you for taking the time to help me become a better student. You are highly valued and appreciated! I will miss you!

“ Beverly,

So sorry to read of David's passing. We saw little of each other after we retired, but he was solid and valued colleague in the History Department. who expressed his opinions with conviction at department meetings, but was never argumentative. And as long-time undergraduate advisor, I know how much his students liked and learned from his courses. Requiescat in pace, David

“ Lion David and I became acquainted via Lions Clubs (He at Carbondale and me at Chester), which developed into a friendship. He served well as Leadership Chair for Lions District 1-CS and created the now annual club leadership seminar/forum. I always tried to nudge David to become a district governor, but he would just shrug it away. I enjoyed my many conversations with David. And I do have a signed copy of one of his thrillers. David will not only be missed by me, but by many Lions who came to know him. May the fond memories you have of David comfort and surround in your time of sorrow.
