“ So sorry we could not make it to your Mom's service. I have had a heart attack and I have stage 4 kidney failure. My mom is also in a Cape nursing home now. Just not a good time for any of us!!! We will keep you in our prayers!!!

“ I got the pleasure of meeting her years ago when I was hired by her and her daughter Chrissy to help clean her home.

We quickly became friends and I really looked forward to visiting with her while I cleaned. She instantly became one of favorite clients.

We would joke back and forth. Picking on each other the entire time I was there cleaning. I would bring her a Coke Zero nearly every time but would be reminded if I forgot about it!!

The love she had for her daughter, son in law, and two grandkids was unending. She loved her pets as well. She really made sure to make sure you knew how much she cared. It was apparent in how she spoke of her family.

I was blessed to have known her.

“ So many memories, always remember her cutting up on 3b, she made long shifts fun. She loved nursing and her patients. Most of all she loved her daughter her family. She was a proud mom. She was a good friend. I'll always remember her and her smile.
