

Patricia Lynn Klump

November 2, 1963 - June 20, 2019

Patricia (Patti) Lynn Klump, age 55, passed away June 20th in the home she created and loved surrounded by her close family who never left her side.

She was an amazing wife, mother, and maw maw and loved every minute of it. Family was very important to her and she was great at showing it. She and Allen loved hosting backyard BBQ's. She loved playing Phase 10, swimming and watching monster trucks with her grandchildren. She always made sure no one went without, whether it be food, gifts, or just a simple phone call. She was the best listener, therapist, care giver and boo-boo kisser there was. It's hard for us to be humble when she was perfect in every way.

Patti worked for GTE for many years and remained there through the company's transition to Verizon and finally Frontier. She was a member of the IBEW. She then worked at BCBS. She made many great and lasting friendships at both locations.

Special thanks to niece, Shelly Tullis, sisters, Julie, Janet, and Alice, mother-in-law Lois, and family friends Jerry and Cheryl Gassel, Kelly Mitchell and Penny James for their amazing support.

Patti was preceded in passing by mother, Lorene Davison, George (Daddy) Robert Davison, infant brother, Brian Keith Gibson, and grand-nephew, Elliot Brian Tullis.

Patti is survived by her husband, Herl Allen Klump, daughter, Crystal Keigley, son-in-law, Caleb Keigley, son, David Andrew Kennedy and fiancée, Jessica Goodwin, grandchildren, Emily, Brayden and Chelsea Goodwin, Jaxson Kennedy, Caylie and Carlie Gibson, sister, Julie Zoeckler, Alice Mohr and Janet Klump, brothers, Roger and Kenny Gibson, George Davison, and William Klump.

A celebration of life was held on May 4th. No further services will be held per her request.

At her request, donations can be made in her memory to the Elliot Brian Tullis foundation at the University of KY children's hospital through the link below.
