“ Patty was an amazing mother to my stepdaughters as well as to my two of my granddaughters. She was a beautiful person inside and out. I was blessed to have had her friendship. God has now received another angel into his kingdom. R.I.P.

“ Patti was my first cousin, the daughter of my mother's sister. Sadly, our family has not been in contact since my grandmother's passing. I remember Patti as a sweet, kind, gentle girl with pretty blonde hair and a loving smile. I will cherish the memories we made as kids and I trust that Patti, in her loving manner was a genuine blessing to her own family and to those she loved. Take comfort in knowing that, though our family scattered long ago, her cousins loved her.
