“ We met Randy via Lisa and right away it was like we had been friends for years. We shared our big Alaska adventure together. Many great times like goofy pictures crossing the arctic circle, wonderful meals on the train, that rafting trip in Denali, new beer discoveries, watching the glaciers calf and many many laughs. May you Rest In Peace. Connie and Tim Dettmer

“ Randy, “Bird” was a lifelong friend. We met in our early teens and became close friends. We had a great group of buddies that enjoyed each other’s company. Lots of laughs and adventures growing up together. He was Best man in my wedding and I was Best man in his. I missed him during his time in New Mexico but we reconnected when he returned to St Louis. All that time passed but it was just the same when he returned. It’s like that with childhood friends. I’ll miss you pal. No more pain. RIP John Sutherland

“ I met Randy in the 1970s and we were reconnected again 5 years ago. We took a lot of trips and had a lot of fun. I have a lot of good memories with Randy. Randy fought a very hard battle against cancer. He is now at peace and hanging out with his parents and all the great musicians that preceded him. RIP Randy “Bird” Klosterhoff. You will be missed.
