“ *Grandma, Its Christmas and I miss you. I'm sitting at Christopher's remembering the time we drove to Jana's for Christmas and wishing I could have that time again. I know you are always with me in my heart and we will someday be together again. I miss the talks we used to have and wish I could call you again. I know you are safe in God's hand now. I love you and miss you.*

“ *I would like to send my condolences to Ada's family. I met her through selling Avon at Prairie Living. Ada was a very classy woman and always looked great everytime I would see her. She was the sweetest person, the one who always put a smile on your face and would let you know when she walked into a room by ringing that bell and say "hey I'm here let the fun begin" My heart broke when I heard of her passing. I'm very sorry for your loss. my thoughts and prayers go out to you and your family. I was blessed to have gotten to know Ada and knowing she is with god now is even comforting. I'm sure Ada will have that bell with her and ring it every once in awhile just to let us know she is still around us.*
