“ *Dear Christina and Family,  
I was sadden to hear of Aunt Addie's passing, but what a long and beautiful life for all of us to celebrate and remember. Your Mother was always such a gracious lady. We are all truly blest to have had her with us for so many years.*

*I have many childhood memories of picking fresh strawberries and going to the barn for chocolate milk from the cooler. Christine, I loved your Mother and Dad very much, and miss them both.*

*Love, Loretta Marie*
