“ *I loved my dear aunt Agnas, she was a kind and gentle soul. I can say that I never heard her raise her voice to anyone. My mom loved her dearly and they worked together for a while. Aunt Agnas never complained about anything, she was loving and sweet. I missed her when she moved back to Herrin. My Mom and Dad moved back there to be next door to her for years and they had such a good time being together. I am happy that she was blessed with a long life and that she stayed healthy for most of it. I am praying for the family, especially for Brenda, I know that Aunt Agnas is with Mom and Dad and Aunt Phoenita in heaven today, having a great time and rejoicing. With love and prayers, Sandy Ward (Simmons)*
