“ *I am so sorry to hear this news. My heart felt sympathy goes out to Alex's children and Bev. My thoughts and prayers goes out to everyone. I will always remember the get together for the State Hospital people every Christmas time and the smiles of seeing so many generation of loyal employees. Seeing Bev and Alex have this get together and the happiness it would always bring them to have these people in their home and the stories that were told there. I always tried to make it a effort to come home for those parties. Love you Bev*
