

Alice Logan Temm

November 1, 1955 - August 6, 2014

Alice Logan Temm, 58, of Cape Girardeau died Wednesday, August 6, 2014, at her home with longtime friends by her side.

She was born November 1, 1955, in St. Louis, Missouri to Louis F. and Alice L. Temm who preceded her in death. Alice was raised in St. Louis, graduating from Lindbergh High School. After moving to Cape Girardeau to attend Southeast Missouri State University, she chose to make the area her permanent home.

Alice is well known as a savvy, accomplished businesswoman in several fields. For more than 30 years, she was a real estate investor, licensed broker, and co-owner of the former Classic GMAC Real Estate Ltd. firm. She also helped develop and was a co-owner of Arena Golf Center driving range, mini-golf course, and pro shop until she sold that interest in 2012.

Her great passion for the game of golf lead her to become one of the founding investors of the Dalhousie Golf Club in Cape Girardeau. She envisioned a women's invitational event at that course and worked tirelessly to conceive and implement what has become "Rebecca's Run," an invitational event held each Fall to which players from several states travel to play the award-winning Cape Girardeau course. Alice also played key volunteer roles in events held at Dalhousie for AJGA, Gateway PGA Junior, and MGA Junior events.

She was a member of the Southeast Redhawks Booster Club and a great supporter of the University. She also worked diligently to benefit St. Francis Medical Center.

Alice was instrumental in starting and supporting CAYSA, the first youth soccer league in Cape Girardeau. She served as an officer of the league, including terms as its President and Treasurer. She also coached several teams throughout her many years of very active participation.

Alice is survived by her partner Barbara N. Stribling, and special friends, Bill, Sherry, Kyle, and Kristopher Cottner; Pamela Dooley; Harriette Meyers; and Eric, Gayla, and Logan Ressel.

A prayer service in memory of the life of Alice Logan Temm is scheduled for 10:30 a.m. on Thursday, August 14, 2014, at the Crain Funeral Home in Cape Girardeau. Friends may gather beginning at 9:30 a.m. for a visitation period prior to the service. A private entombment at Alton Cemetery in Alton, Illinois is scheduled for Saturday, August 16, 2014.

In lieu of flowers, donations are requested to Southeast Hospice or another charity of your choice.

“ *Alice was a childhood friend. She and her family lived down the street from us in St. Louis County. Back then the neighborhoods were safe and all we kids on Julia Dent Drive often played together late into the summer evenings. Although I had not seen nor spoken to Alice since 1969 or so, I'll hold those childhood memories close to my heart. Know that she will be remembered and her memory cherished by many.*

“ *Alice was a good childhood friend of mine. We rode bikes, played basketball, went 'to the country' with her mom & dad, & she invited me to church with her family. She was always a strong person so, since I haven't talked with her probably since the 1990s, I'm shocked & so sad to hear of her passing. It sounds like she enjoyed her life and friends. I know she will be missed.... with love, Melinda Petty*

“ Barbara,
So sorry to hear about your loss of Alice. Really wanted to make it over to see you this morning, but today is the first day back to school and couldn't get away. She put up a good fight and looked so good the last time you two were in. Please continue to come see me at Sandy's Place on Sunday (I know it won't be the same) But I would like to stay in touch with you. You guys meant so much to me.
Your favorite waitress,
Debbie

“ We met Alice ten years ago when Brevin introduced us to his "golfing buddy". We had just moved to Cape, were new members at Dalhousie who played Thursday night golf with dinner at the "white house" and were welcomed by an honest, smart, and caring, woman whose friendship we have cherished.
Alice, an excellent golfer, played a lot of golf, won many tournaments and yet was willing to offer help to new members who needed yardage or layup advice. Many believe that how a person acts on the golf course reflects how they live their life.
Alice was a private person, she played golf as she lived, honest, knew the rules, practiced, working hard, prepared, loved the challenge, seeking the best, helping others, enjoying the true friendship of the team.
We have all lost a good friend and Brevin lost his "golfing buddy"

Barbara, as you read the notes from friends you will have their memories to add to the many memories you and Alice shared.

“ *Alice was the reason myself and my friends were such amazing athletes and people. She was our club soccer coach for the majority of our childhood and teenage years. She taught me so much about the game but also about being a person. I will miss her! Barb, I will be praying for you. xoxo Mindy Hoffman*
