“ *Aunt Alma was a very special person. I have a lot of fond memories growing up and spending time at Uncle Ted and Aunt Alma's. Going to thier house, making apple butter, and playing out in the yard with all the cousins are memories that will always be treasured. I will miss her very much, just as I already have been missing Uncle Ted. I know they are both together again, and very happy.*

“ *Our prayers are with you. We are so sorry for your loss. Alma was a special lady.
Grieve awhile for me if grieve you must; Then let your grief be comforted by trust. If it's only for awhile that we must part; So bless the memory within your heart.*
