“ To Robb and family,  
Maureen and I send our deepest sympathies to you. I have many happy memories of good times shared with Andy throughout hi school. She was a big fan of my music and always encouraging. She and 7 classmates came to Chicago to cheer me on at the Marriott theatre. Maureen is happy she was able to get to know her on our visits home and at reunions. Her laugh and sense of humor were amazing. We will be thinking of you in the days and months ahead.  
Blessings,  
Tom and Maureen

“ I knew Andy slightly from school - she was my sister Sarah's good friend. I remember Andy and Karen Allison sitting in our living room having a visit with Sarah - she was a pretty, friendly young lady and I know my sis loved her friendship. My deepest sympathy to Robbie and the family.
