"In one of the stars I shall be living
In one of them I shall be laughing
And so it will be As if all the stars were laughing when you look
at the sky at night"

- The Little Prince Antoine de Saint-Exupery

Born January 11th, 1972 to Ronnie and Pat Shelton, Angie was a star in her own right. Named for the Rolling Stones song, Angie's life was steeped in music. A native to De Soto, Angie was active in supporting the local Southern Illinois music and arts community, even sitting in on vocals for a performance or two with various bands.

Angie loved to bake and create amazing desserts to share with family and friends. This led her to a life-long career that included the Neighborhood Co-Op in Carbondale and also the Manna Café in Madison, Wisconsin. Many of her friends will remember her winning smile as she whipped up a coffee at the Fat Cat café or served her delicious Nutella Cheesecake with the Nutterbutter crust. The recipe is still a mystery.

Angie was also a body art enthusiast and enjoyed sharing the meaning and

stories behind her personal art.

Angie was preceded in death by: her father, Ronnie Shelton and her grandparents, Clyde and Virginia Shelton and Oscar and Mildred Rawson.

Angie is survived by her two children, Hannah Grace and Noah Zane Long of De Soto, her former husband Chris Long of St. Louis, Missouri, her mother Pat Shelton, her heterosexual life-partner Elizabeth Burklow-Donoghue and her sister from another mister Elaina Burklow-Seep.

A memorial service will be held at 7pm on Thursday, July 11th at the Pettett Funeral Home in Murphysboro.

The family has asked that, in lieu of flowers, donations be made to a memorial fund for her children. Please contact Elaina Burklow-Seep, Elizabeth Burklow-Donoghue or Chris Long for further information.
