“ *Ann and I were best friends and I will always remember the many vacations my husband, Glenn (Pete) and I took with them. Also, the good times just going to antique shops and the malls shopping and Gene & Pete finding a bench to sit and wait on us, because we both liked to look too much. We all went to First Christian Church and were together on many class outings and regular church on Sunday’s. I have so many fond memories of Ann and I will always remember her.* Virginia Tucker
