“ *Dear Ann, You will be missed on this earth. I recall you as being so kind and supportive. I always appreciated the warmth you expressed when we talked. Over the course of my life you have been so supportive so many times. You helped me so much physically and emotionally when my own mother was passing -- you always showed up when I needed you. I hope you knew you were very special to me, just as you made it clear that I was to you. Be in peace dear Ann. You were and are so loved. -- From my heart to yours --Jessie Williams*
