“ *Terry, Larry, Sindie, & kids,
Anna Mae was a very special lady! Her guts and determination modeled all of us who were close with her, and I cannot omit, her WILL!! She knew how things should be done and by golly we did it! I LOVED that about her, altho we teased her behind her back....SSHH don't let her know... What a strong lovely God fearing woman. I will remember her and Galen forever, and have over the years that have come between us as life moves us forward. Your parents became my parents and I will forever be grateful the opportunity to meet you all and the acceptance you showed me. Love and Peace to you as you grieve of her loss.

“ Quite the lady. Had a distinct way of making you feel loved while in her presence. Rather entertaining as well, especially if one of the boys goofed up! A great lady that will be remembered and missed sorely.
