“ Dear Sandy, Cindy, and Teresa - we all loved your Father and we will REALLY miss him.

Your Dad and our Dad (Charlie Wernette) use to 'pal around' with Gene Wernette (our Dad's older brother), and Pete Epps. As our older brother Mike aged, he joined their ranks, so to speak.....maybe they just wanted a younger driver!

Over the years, we all enjoyed many fishing expeditions with Art, many meals together (both in our parents' home and in Art's home as well), and we always enjoyed all of Art's good GOOD stories!!!

Randall drove Art to have a visit with Mike, after Mike had a stroke and before Mike passed in 2011; Mike was fairly good at the time of Art's visit. Mike, and all of us, were really touched that Art would drive the distance to visit Mike at that time.

Your Dad was an honorable man; he always tried to do the respectful right thing. I believe he had that science well mastered!

Art will be sincerely missed by many. We know that the Good Lord who accompanied Art into this world, journeyed with Art into the next. Please know we keep you all in our good thoughts and in our prayers.

*Deepest sympathy,
Monica Wernette

“ Sorry to hear of Arts passing. I have many fond memories of him teaching me to shoot a bow and deer hunting in Pope county where He, Jim Hunter, and my Dad built there hunting cabin.
