“ I have many great memories with my grandma. She was my grandma by marriage but I loved her as my own. She always spoiled me, as she did with all her grandkids. She was always caring to me and a wonderful person to talk to. I always looked forward to seeing her and catching up with her on the weekends when I was little. When grandma and grandpa lived in Dupo, I saw them a lot and on the regular. I use to spend the night on Saturday and go to church with them Sunday mornings. We would go to lunch after together. I remember mainline was one we visited a lot since it was in town back then. I remember the frozen strawberries she always had that she had picked herself. She would always let me have coffee with milk and sugar, no matter what time of day it was. Anytime we would go anywhere just her and I, she would let me steer the truck once we got on her street. My love and prayers to the rest of the family.

“ I have the best memories with my grandma as a child! She always spoiled me. I remember always eating frozen strawberries that she had picked and preserved. She always let me have coffee with cream and sugar. Caffeine free coke. I spent the night over sometimes and would go to church with them (her and grandpa) Sunday mornings and out to lunch after. Grandma always cared and was a great person to talk to. I always loved spending time with her. Such sweet memories! My love and prayers for the family.
