“ *I didn't realize until just recently that our dear friend Barbara had passed away. We spent many hours in the shop visiting with her and Raymond and it was always a delight to visit at Christmas time. We have many lovely things that Barbara made and we cherish those. Blessings to the family - she was one in a million! Rest in peace my dear sister.*

“ Barbara and Raymond Fisher were certainly special people. We bought Raymond's parents house and when we lost it in a fire they were so helpful. The girls loved going over and walking through their beautiful gardens. She was so crafty- I loved that kitchen with all the blue glass. If I wanted to make sure I caught them at home- go late- really late- they'd be up playing music and singing. I've thought of her and asked after her many times in the past years- I knew she had to be so lost with Raymond and the kids gone. Such a wonderful lady. I will always have a special place in my heart for both of them.

“ I recently had a visit with Barbara when she and my mother were in Integrity together. She was a legend in Dongola . Barbara and Raymond were a team and my heart broke when she lost him and her children. I was so happy to have visited with her that day and I will cherish the memories I have of her. She helped Beth start Flower Girls in 1998 and was such a help to her.

“ I have loved this woman for many a year. We have laughed together cried together and prayed together! She is now where she has wanted to be for a long time. God brought our lives together for many a year and how I loved it. Rest high on that mountain and play the music that you and Raymond loved so dearly. We will see each other again . Now rest in peace 🌹
