“ Aunt Bea was certainly a kind loving soul. She will be missed by so very many who loved her. I am one of those people. She didn't just talk about being a Christian, she emulated being a Christian. She didn't just Jesus preach Jesus, she showed you Jesus with the way she lived her life. And I'm sure when Jesus met her, he said to her, come in Bea , it is time to lay down your apron and rest. 🙏❤️🙏

Bea was awonderful example of how we should live our life. I learned a lot of things from her. If you needed advice or just a shoulder to run by someone Bea was always willing to listen. She was a beautiful and wonderful person inside and out. Bea will be missed by many.
