“ *I will always have wonderful memories of visiting Uncle John and Aunt Bert at their place as a kid. The great times exploring the farm, driving the tractors, swimming in the pond across the way, and eating all the wonderful food that she cooked. She will be missed. My condolences and prayers go out to the entire family. This photo taken on Elsie's 90th birthday and the reunion last year with card games, great stories and laughter are how I remember Aunt Bert and the Schnarre family. She was so loving and kind and will always be remembered as this warm and thoughtful woman. She will be greatly missed but always fondly remembered with deep love and affection I feel fortunate to have known her. My heart is with you. Love Lorraine Thompson
