“ *I love you Grandma. If ever there was a saint and a true servant of God it is you. These Words spoken by the Messiah immediately came to me regarding your passing... 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!' I know your reward will be greater than anything we can imagine. I am grateful you are at peace.*

“ *I will always remember her gentle ways, her beautiful smile and warm, welcoming arms. She lived her life for her Lord and her family, completely, unselfishly, never wavering. I will miss her everyday, and will always be thankful for her.*
