“ *I went to extend my sincere condolences to the entire Bullar Family. I am extremely grateful to have been apart of your family, as well to have met one of the funniest, most up beat woman I've ever met. I know she meant the world to all of you. She was always cheerful. I loved her stories that she told while we visited. I had the ability to have an unforgettable conversation with her about 2 weeks ago. Thank you Bertie (and family) for such a wonderful time spent with you. Love, Shane*
