“ *In loving memory of my dear Aunt Betty. As a baby I came over to USA with my mum and dad as Betty and I were almost the same age we soon became inseparable. Sadly after my return back to England with my parents we lost touch until a few years ago and I found her on Facebook. I came over to America in 2023 and spent a month with my aunt it was an emotional, happy time as we had not seen each other for over 70 years so much to catch up on. I love her so much and will treasure the time we had together. Rest in peace my dearest Aunt.*
