“ *Betty, you always hold a special place in my thoughts, and heart. Both you, and Herold always meant so much to me growing up in the youth group at Murdale Baptist. The good times, the laughs, the learning to snow ski, the cool cars you all had, and your sweet, positive attitude will always be a fond memory of mine. I know you are in a place where the pains of this world are no more, and I am certain that God has you close by his side. I am comforted that you are only away temporarily visiting a place that we down here can only try to imagine... We will all be together again someday, and what a glorious day that will be!!! Thank you for being a blessing in my life, and for the excellent advise, leadership, and love you showed for us kids. It paid off with me in the long run thanks to the "seed you planted" back in the good old days.... You will always be missed. My thoughts, and prayers go out to all the Brock family. May God give you all peace, and comfort during this time. Always, Joshua S. Sayer*
