“ *I worked with Miss B Waller at SIU Family Housing from 1979 to 1982. I learned SO much from her and I absolutely loved working with her. I loved Worm too. He took me horse back riding one time out on their property when I was a freshman in college and he was so kind to me. I was Lois Waller Casleton's stepdaughter, which is how I got the job working with "B" as we called her. She lived a long and full life. She was a very special lady. My condolences to her family. I am attaching a photo of her taken back in 2003 when the old "gang" met up for dinner at the Flyway in Carbondale. This was Betty, Dorothy Schemonia (passed away), myself, Karen Kauffman, and Jackie McCuen. Good times and I'm certainly glad I have this photo (have it in my office at work) and memory of Betty.*
