“ *Dear Mom,  
I love and miss you so much, you'll never know how much I wish I could talk to you again. You'll always be the best mom a child could ever have. All the things you did for me while I was growing up, I'm grateful for. You made me the person I am today. You'll always be in my heart. Thanks for everthing. Tell everyone in heaven I said hello and miss them. Love always, your little chick-a-dee Laurie*

“ *Mom, It's me, Deb, I just wanted to tell you what a wonderful mother you were even though I did not tell you near enough. I am so proud of you and will always keep the memories of your last days on earth with me near to my heart. Your funeral was the most beautiful I have ever seen and I know you would have been proud. I love you mom and will miss seeing and talking to you. Tell Grandma, Mike and Dick I said hi and I miss them too. Enjoy heaven, Mom, I will see you someday. Love your daughter, Debbie.*
