“ Just before this Pandemic was in full force, Betty was inside eating an ice cream cone at Burger King in Anna when I came in to get myself a drink. I greeted her with a "HELLO" and she invited me to sit down and we began sharing about God, life, and she shared her dream to get on Debi's horse Paco, on her birthday in Oct, and the smile and twinkle in her eye as she shared that with anticipation. She then smiled and said "Debi just doesn't know it yet" She shared how much she loved living in her own special apartment which was a part of her son Wayne Jr. & Debi's new home and how she loved being there. She laughed her sweet laugh and said "Boy, will they be surprised when I get on that horse on my birthday.". She then said she needed to go as she finished her ice cream cone to head back home. What a wonderful memory of her priceless smile and her joyful laughter. Even now I still see that twinkle in her eye and her love for life. -Alicia Young

*I'm not sure what it was that made Betty so special, but she was. I always looked forward to seeing her and felt a closeness beyond what would be expected, given our limited time together. She was genuine, empathetic, and always pleasant. I'm sure Betty will be greatly missed but her life was well lived. Thank you Lord for Betty.*

*Our last visit with Betty was having lunch at the Vienna Diner with family and friends remembering the wonderful days growing up with our Howell, Slack, and Choate Families in the neighborhood of Wartrace and Grantsburg in Johnson County, IL. Betty had helped plan the gathering and all who attended were ready for sharing another time in the near future!*

*Betty was a great lady whom we will remember dearly for her gracious and caring personality as well as loving her family and the history we shared together.*
