“ *We are so sorry for your loss. Betty was a great neighbor. I was just thinking about the time she and Tom came to help get rid of the snake in our house. Annika was just a baby. I'm sorry I missed the service. Again, very sorry. Angela, Alex and Annika*

“ *Carolyn, Brad and the rest of the family, I am very sad about you losing your mother. You know all the memories we have shared for so many years. Know that she is with Lynn and your Dad and that she is happy. I spoke to Robert this morning and he wants me to be sure and tell you how much we have always loved you guys and your Mom and Dad. We all had so many good times with picnics, hay making, watching Gunsmoke on TV and playing on Sunday afternoons. We will all miss her and will remember you in our prayers.*
