“ Some of my fondest memories of working in the Office of Student Development at SIU include Beverly. Since relocating to Las Vegas in 1997, I have joyfully awaited our annual Christmas greetings catching up with all our family news. I will miss those greetings but will always cherish the time we had. Rest well my dear friend. You will always remain in my heart. With much love, Harriet.

“ *In the 60's I went to beauty school. Since we lived 20 miles from town, uncle Ray and Aunt Jo offered to let me live with for the six months rent free. Jo did my laundry, ironing, packed me a lunch all out of the goodness of her heart. Over the years I have given her many perms trying to repay her. She always expressed her deep appreciation. She loved her family so much. She loved their calls and visits which they did often. Jo was a very giving person. She was not only an aunt to me, but a dear friend. Loved her so much.*

I gave her many perms to try to repay her. She loved her family so very much. She knew what each family member was doing. She loved to cook for her family. That was truly her labor of love.
