“ *My deepest sympathy to Beverly's family. Beverly was a very special person, a bright ray of sunshine, with a wonderful sense of humor and a quick wit. Beverly always had a smile and a kind word for everyone. My late parents (Walter and Selma Cherrick) also thought the world and all of Beverly.*

*Hi Alan,
I have recently thought of your mother and father, and my mom.
I hope you are well and am very thankful that your mom and dad found Anna, Illinois, their home.*

I just this moment saw your response. I thank for taking the time to respond. I also worked at Anna State Hospital after graduating from AJCHS and commuted to SIU-C.

I worked with your grandmother Bryan on one of the hospital wards at various times. I also enjoyed conversations with Verner at the fire station when I got off work or ran into him on the grounds. Alan C.

“ *Kendra and Andie,*

Your mother is such a loving memory. The fun and shenanigans she and my mother, Marcella Cain, created just makes me smile. They were the Lucy and Ethyl—Grace and Frankie of the Anna State Hospital. I hope heaven is ready for this reunion!!

With much love to you and your family,

Therese and Roger Ferguson

“ Beverly was long time member of our St. Mary's church family and an Orange Street neighbor to us . Bev never failed to greet you with her welcoming smile and friendly conversation. Just a special person to have known! She was a friend to all with time for all! Know how much she loved her grandchildren! With Katie being the same age as our daughter Jodie, I saw first hand her devotion to them! My heartfelt sympathy for all her family and friends who will miss her irreplaceable joyful presence every day! Eternal rest grant unto her O Lord! Let your perpetual light shine upon her! Bring comfort to her family, dear Jesus, knowing their mother is in the land of the living--walking the heavenly halls with loved ones gone before!
