“ Many, many years ago, Bill was a friend of my dad's (Gene Stewart) who owned a drug store in Arlington. I was young so it was probably in the early 70s. I remember him well and my dad thought a lot of him. When I saw his cookbook online I recognized him immediately. I'm sure his death was a loss to many.

*I have two of his paintings (still life) from those early days. I would love for someone in his family or close circle to have them. I will try and post on the wall. If you are interested or know a family member, I can be contacted at [cyndibar@sbcglobal.net](mailto:cyndibar@sbcglobal.net)*
