“ *I don't think I've ever met anyone so exuberant and genuinely interested in everyone he met. A true showman, you absolutely delighted in positively affecting those around you; regardless of whether it was a personal story, a magic trick, a bad dad joke, it didn't matter, for you it was all about the human interaction. You had a love for people that is rare and I will always remember that most.*

“ *Art, Danette, Leona, and all the other family!*

I am so sorry for your loss!

Blake was such a joy to be around and always made me laugh,

Even at the low points of when grandpa Bob was sick and I had to come cut his hair!

He always had a way of making happiness come in sad times!

Prayers for peace for all of you!

*Love,
Mandi*

“ *My sincerest condolences go out to Blake’s family. I delivered Dillon and Blake was constantly telling me I was the greatest midwife ever. 😭 I recall that he was over the moon with Dillon’s birth. My heart hurts at the loss of such a young soul. May he rest in peace. 🥹*
