“ *I have 4 years of memories. She was such a beautiful amazing and strong woman. She cared about everyone but herself and spent alot of time working to the bone to keep everything going. You all lost an amazing lady and way to young. Was so heart broken to hear about her. I have never forgot her. She loved her sisters so much. She will be missed.*

I talked to her her whole trip to see her sister in Scotland. Was so bummed when she left Cape and moved to West Plains. She was a great friend and person. James you was absolutely her best friend.

My prayers and thoughts to you all. She will be looking down and helping to protect you all.

“ I worked with Bobbie at Walmart in Cape. She was such a good, sweet friend. We talked a lot every day we worked together. I followed her on Facebook after she moved to West Plains. Even though she lost her battle with cancer, she is now in the company of Jesus. My prayers are with Bobbie’s family and friends. Grace and peace to all. ❤️

“ I knew Bobbie for more than 20 years and we almost instantly "clicked" as friends. We worked together at Southern (Formerly Capaha) Bank for the entire 15 years she was there. Bobby had a dry and sarcastic sense of humor and loved to make people laugh. She was intelligent, loved to have fun and was a very genuine person. She will be sorely missed and I will never forget all of the trouble we got into at work. Much love to all of her family and friends. Deana Bennett

“ *I first met her at college and then we worked together for years. She was one of the nicest people I have ever met. God gained a beautiful angel.*
