“ Bobby, we didn't know you long but the time we did was memorable. You where a very sweet and honest man ,that really liked my son.you also took him under your wing. Which gave himl great respect for you ...he looked forward to the saturdays ya'all worked together. It's been a rough few weeks with our hearts so heavy .. So many questions..The Hopeless feelings of driving across that bridge. My son (Noah) looked at me and said. “ mom if I would have been with him, I would of saved us”. The mind of a 17 yr old... I have prayed over this for weeks and today was the first time I felt the answer I needed. Bobby wasn't scared. Bobby felt no pain. Bobby's angel was next to him. It gave me great peace hearing that voice. Thank you Bobby for blessing us with such wisdom and kindness. We will keep your memory alive. Rena and Noah. 🙏
