“ I worked with her for a few years before she married Wally, my cousin. She always took the time to say hello n always would lend a hand to help. I don't think she knew a stranger. She will be greatly missed by all who knew n loved her.

“ Brenda and I had some real good times, shopping, finding bargains, looking at new stuff, use to be just about everyday, then our health stepped in, an we both knew, if one of us needed something, the other one, was just a phone call, or a visit away. will never forget the time we went to black Friday, a shopping trip, we would sit an laugh about years later. Brenda will be remembered, by my kids, as Aunt Brenda, she loved my kids, an grandkids, as her own. you will not be forgotten, sending prayers to Wally and the family,
