“ *Grandma Bren, I didn't get to say goodbye, but I hope you know that I loved you. I will cherish childhood memories of sitting on your porch and hearing the church bells ring. I hope now that you're in Heaven, you'll find my baby girl Mariam and hold her in your arms for me. Until we meet again, I'll hold you in my heart.*

“ My dear Dixie and boys, I have precious memories of Brenda, she was a very special lady, and I loved her lots. Although you are grieving now, rest assured Jesus has made a way for us to see our loved ones again, until then I pray that God will give you strength, comfort and peace that only He can in Jesus name. Love and hugs to you all. John 14:1-4 "Do not let your hearts be troubled. You believe in God]; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going."

“ Bren, I sure am gonniss you. I've been sitting here thinking about all the good times and laughs we shared. Like hiding your cigarettes when you turned your back, and laughing so hard I fell out of the chair. Yes I still have that picture. And the OMGosh steaks that you would cook. They were hard to beat! I love you.
