“ *My brother in law was senior to me in age being that my sister was 15 years older than me. We spent a lot of time talking when the family would visit us in Reading. I always looked up to him and knew he had a genuine interest in me. We talked sports and that was something we both loved. I will always keep my memories of Bruce close to my heart. Not sure if you guys know that my sister and her best friend Trudy sent 4 year old me to knock on Bruce and Drew's door in Wildwood that summer they met. Sending my love to Alicia and Bruce and their families. God Bless. Uncle George*
