“ *"Chase a dream, then discover and play." Dianne, you left this message on our fridge when you and Rico came to visit. This morning as I was walking to the computer that message caught my attention, as it often does, and I felt that I should remind you of it. Your sister without the limitations she lived with, is free to do this. I am hoping that you will hold onto that part of yourself through you recent losses. We are thinking of you...Vickie & Terry*
