“ *I remember the first time I met Casey it was raining and freezing. Did you seen me at Capaha park under the pavilion trying to keep dry. He rode up on his bike. We sat quietly for a while. Then as he was leaving he told me to come to his spot and I could come by if I wanted to get out of the weather and warm up. That guy didn't know who I was and wanted to help me. He was a good friend. Hell he even got us both kicked out the casino one night. He will be missed*
