ME

“ Patrick and family,
I never had the opportunity to meet your Mom but I heard some sweet stories about her. As a Mom and grandma myself, I am sure she was very proud of her family and would want you to reflect on all the beautiful memories you have of her.
I pray the Lord comfort your family during this sad time and allow you to have peace in your heart through him. We love you Patrick. Your MIFI friends are here for you, please lean on us for support, especially through this first holiday.
Hugs!
