“ I used to live right next to the Potts in Burbank il.. they were such a lovely family and I made best friends with their grandkids Kyle and kenny.. I used to chat with them all a little bit every day. She was such a lovely woman to know. She never said anything bad about anyone, she was friendly and kind to all that spoke with her(unless she was angry). She will be missed. To the potts family I'm sorry I cannot make it but my condolences to you and your family in your time of need.
