“ *Have great memories of Minnie. Charles, and kids when we would take the kids to beach and Charles would take movies. They were hilarious. A great family man.*

“ *Patty I was so sorry to hear of your dads passing. I know this is a difficult time. I wanted to share a memory with you. I don't know if you remember this. We were in 7 th grade, and I was spending the night with you. We lived in Rodenbach. My parents had never allowed me to have my ears pierced, but somehow we talked your dad into piercing my ears. He pierced them with a sewing needle and an ice cube! Boy were my parents surprised when I got home!*

“ I remember as a child spending family vacations at the big house by the river in Biloxi. He was a quiet soul, with a great dry sense of humor. Those were some of my best childhood memories. Rest In Peace uncle Charles!

I remember as a child being a little scared of him. He loved to tease us kids but w/ his dry sense of humor he always sounded so serious! After I was grown & on my own I remember him saying to me in rare times I saw him, "I bet you never make your bed". For some reason that stuck w/me & on days when I really don't feel like making it I think of him & make myself get it done just to show him! Lol! I love you Uncle Charles. RIP! 💕💕💕
