There is not a day that doesn't go by that I don't miss that guy. I met him in 1999 him and my mother worked together at the JR Centre in Anna IL. And they ended up getting together sometime in 2000. From that point on me and him became close to the point that I considered him my father over my real father if that means anything. And Dianne your exactly right. If you couldn't have a good time with Charlie there was something wrong. He was such a wonderful man with a great sense of humor that would help anyone out. He would give his shirt off of his back to help someone and he was the most funniest man I have ever met in my life and he will be missed dearly. Let thing wings fly high baby boy Holmes. Your in heaven now with your daughter sister mother and the rest of the family the you missed dearly when you was here on earth. Until we meet again I love you charles Anthony walsh. You was such a wonderful role model in my life, more than you will ever know. You taught me how to give and forgive
