“ *Mike and family, we want to express our condolences at the loss of Chong. We couldn't believe it when we heard it. She will certainly be missed by all who knew her because she was such a kind lady and was one of the best neighbors/friend that we ever had. After we moved I missed having coffee with her and chatting. We have lot of good memories of her. She taught me how to make Kim chee which I still make every once in awhile. Her seaweed soup was totally awesome. In fact, her cooking in general was awesome. She was such a loving person to her family. We love and miss her so much. R.I.P. our dear friend!!!*
