“ *"Baby, can ya hear me? When I'm crying out for you...."* 🎤 🎵
This is so painful. The grief is constant and neverending. Usually in sadness and grief I can redirect my brain. But it's even harder now. Everyday I think of you. Mostly remembering all the great times we had together. But in the times I'm alone, I cry and cry. 🥹🥹🥹
Remembering I'll never see you again, I'll never talk to you again, I can't text you, I can't call you, I can't do anything but cry and cry in desperation for you to come back. 💔❤️👉

“ I had my 2nd dream about you,
I believe it's the only way you can visit me.
I'll take it at this point cause I'm blue over losing you,
Before your passing I was having dreams of you constantly.
Thinking my mind was playing tricks on me,
But it wasn't, it was reminding me of the love I still had for you.

*I've waited all my life for a love like you....
I've waited all my life for a love like you...*

*Everyday this heartache I've never felt ever,
Why did you leave me.?
Why couldn't you hang on a little longer,?
I was getting ready for our 2nd chance at our love story.
I was getting ready for spending the rest of my life with you,
I even shopped online for wedding dresses.*

*I've waited all my life for a love like you....
I've waited all my life for a love like you....*

*My future was planned all around you,
Your future was ripped away from you.
I thought I finally understood love,
I thought I finally understood life.
Now, I don't understand anything at all,
I never thought anyone could truly love me.
But you did, you truly did,
That's the best gift ever.*

*I've waited all my life for a love like you....
I've waited all my life for a love like you...*

*Your life on earth ended but our love will never end,
I can promise you, I will love you everyday, forever.
Even when my time ends here on earth,
My love for you will never end.*

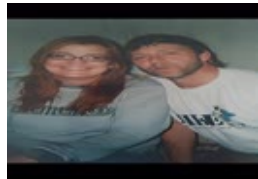

*Cause I loved your soul first,
Our love story is for eternity, infinity. 🙌 #ALoveLikeYou 🎵*
