“ I love you bubba, it doesn't seem real, feels like a dream. My favorite memories are us acting goofy dancing to your ringtones when girls would blow up your phone 😂 what can I say I have a handsome brother. Also when you were little you always wanted me to lay with you and rub your back until you fell asleep. I hope you knew we were there, I'm glad we made it. I held your hand and kissed your head laci held your other hand mom laid her hands on you and we all prayed. I hope you know we love you and everyday we think about you 💜
