“ I worked with Colleen for 25 years at First Bank & Trust Company...she was a great friend to all of our employees & all of our customers I don't know of a finer Christian! She lived at Olive Branch & I moved there after retirement...and visited with her frequently. When she still able to navigate her steps, we went for drives.to Cairo & the Horseshoe Lake area. She enjoyed the treats I took her. I loved this wonderful lady & called he a sister.... I will grieve & miss her forever...
