“ *Connie became my neighbor and really good friend when we bought our first home next to hers in Rose Hill, Ks. I had two toddler boys and a little girl on the way and Connie became a godsend for me. She kept me sane and my kids loved her and Shogun (her dog). 5 years later we had to move to Maryland but that didn't stop Connie from keeping in touch to see how we were doing. She will always be in my heart. My condolences to her son Troy and family.*
