“ *Craig was a friend for over 25 years, our neighbor for 15 plus, but we considered him family. I'm going to miss knowing he was sitting at his kitchen window keeping an eye on our place. Rest In Peace*

“ *25 plus years of great friendship leaves a lot of memories. I'm gonna miss the daily conversations and the education I would get sometimes about old cars and trucks and tractors. Love ya buddy,gonna miss ya.*
